Joyce,

One item that continues to show as pending in the costs is per diem for individuals who have long demobilized. It would seem those could be final. I will comment on this to START.

As for an increase, I would say that for the next month to 2 months the funding is adequate. However, if we are wanting to project budgets into 2016 winter and filed season, then I will need to do some estimating.

Let me know on the budget timeframe.

Thanks,

Steve

Joyce,

Attached are the Final 10/25 and Draft 10/26 RCMS 1900-55 reports for the Gold King Mine Treatment Stabilization TDD. We are currently funded at \$660,000. Based on this estimate we are at 76% of funding.

Thank you,

Mark
